DEDICATION

His genuine interest in the welfare of the students of Elizabeth City has endeared him to the hearts of all. The many hours of working and planning which he has spent that we might have the new high school annex has earned him the respect and admiration of the citizens, as well as the students of Elizabeth City. Words cannot express the gratitude we feel towards

EARL C. FUNDERBURK

FOREWORD

For five years the people of Elizabeth City have been working hard for a new building for the students in high school. Our new High School Annex is the result. It was completed in time to be used for the first time this year.

You are acquainted with the general plan of this new building but the pages of this book will make you more familiar with every part of the Annex and the activities carried on in its various parts. We want you to become familiar with the new, but we would not forget our old high school building. We still love it and enjoy our classes and clubs that still meet here.

ELIZABETH CITY BOARD OF TRUSTEES

The Elizabeth City Board of Graded School Trustees are the men in the background of our school life. We owe our deep appreciation for their hard work and long hours of planning for our new high school annex. We, too, are indebted for their excellent choice of our fine faculty.

In appreciation of their tireless work, the students of E. C. H. S. owe their respect and love to each of them for a fine job.

ADMINISTRATION

EARL C. FUNDERBURK
SUPERINTENDENT
A.B., M.A.
University of North Carolina
Chapel Hill, N. C.

It is really unusual for a school to have a superintendent as interested in the welfare of the students as Mr. Funderburk is. He has done much to make our schools a better place since he has had this important position. He is endeavoring to help us to prepare a place for ourselves in the community and to help us to become useful citizens.

In the seven years he has been with us he has made our school a much better place.

FRED J. EASON
AB., M.A.
Wake Forest College
Wake Forest, N. C.

Mr. Eason is known by his cheerful smile and friendly manner. In the few years that he has been here he has done much to guide and help us, the students of Elizabeth City High School, in work as well as in play.

We will always remember him for the effort he has made in making us better citizens of this community.

JOHN TURNER
B.A., M.E.
Duke University
University of North Carolina

Although this is Mr. Turner's first year as assistant principal, we all are already acquainted with his understanding of students and his untiring efforts in promoting audio-visual in the classroom. First year or tenth—assistant principal or teacher—he will always have a place in our hearts.

BILLY GAY MCDOWELL

**President of the Elizabeth City Student
Cooperative Government
Presiding Officer of the Student Council**

STUDENT CO-OPERATIVE GOVERNMENT

This organization proposes to promote the general welfare of the school, to establish a closer union and to create a greater responsibility among the students.

The duties of the council are: to try to be of service to the school, to try to foster school spirit, to recommend rules and regulations for the general welfare and the betterment of the school and to do those things which it considers will carry out the spirit and the words of the constitution of the Student Cooperative Government.

Through the cooperation of the students and faculty many things sponsored by the Student Council took place this year. Some of the events were: the freshman dance, American Education Week—this included a chapel program and a radio program in which a number of students participated—homecoming, and a semi-formal Christmas Dance. The Council invited members

of last year's senior class to attend the dance.

PROJECTS FOR THE YEAR INCLUDED: organization of a Junior Council for the Junior High students, publication of the Student Council Handbook, contributed a spotlight for the auditorium, added to the equipment of the first aid room, added supplies for social activity, sponsored a Career Day and a College Day, were responsible for the school concession stands, prepared elections for the school, and sponsored a White Christmas for needy families.

This year the Student Council Congress was held in Burlington. Those attending were Miss Bertha Cooper, advisor, Billy Gay McDowell, Elizabeth Swindell, Frances Williams, and Eric Johnson.

The Council owes much thanks for the cooperation given it by the student body and the faculty members.

This is the fourth year the National Honor Society has been included as a part of the activities in our high school. So far it has succeeded very well in its purpose—to promote scholarship, develop leadership, and encourage service and character among the students in the school. During this year the Society has offered to coach students who need help in their studies, carried on a courtesy campaign, and helped sponsor the White Christmas as well as many other projects.

The Elizabeth City High School Band proves, as it has in past years, to be a great asset to our school and to our community.

The opening of the Outer Banks Highway in Hatteras was the first major event for the band during this year. Then the football games and pep rallies provided a full schedule for each band member. Several other events were the Christmas Parade, the Wright Memorial Celebration, the Oyster Bowl Game, and the trip to Chapel Hill for the Carolina-Texas Game.

The All-State Band met in February followed by a trip to Durham for the solo and ensemble contest. The District Contest was in Greenville on March twentieth. The band went to Wilmington March twenty-seventh and twenty-eighth to participate in the Azalea Festival (the parade and the dance).

HIGH SCHOOL BAND

The two main social events of the year were the Senior Banquet, an annual affair held for graduating band members, and the Christmas Party.

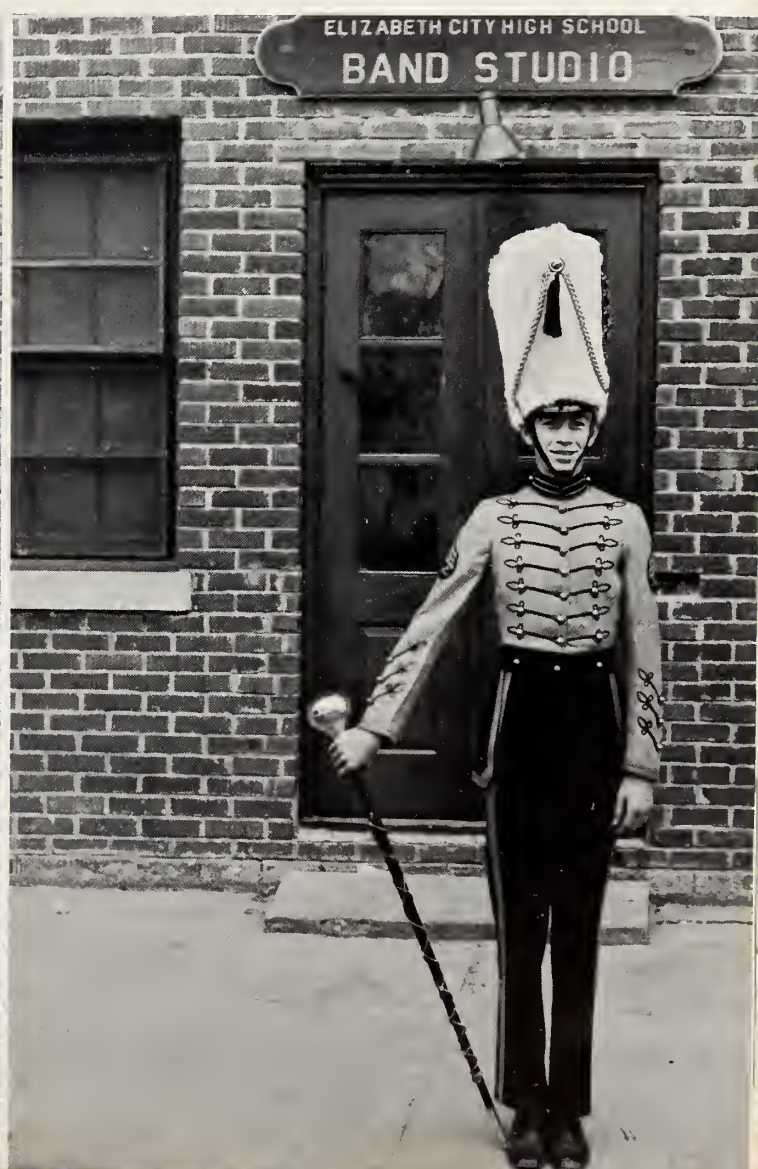

The military precision which is expected of the band, both in marching and in playing, trains the members to work cooperatively. Under the guidance and supervision of Director Scott Callaway the band has become a smoothly functioning unit.

Mr. M. L. Clark, affectionately called Uncle Miles, provides moral support for the band.

The Elizabeth City High School Glee Club is an organization of which we all can be justly proud. It is composed of a group of students and a director who enjoy music and wish to devote their time and talents toward making it a club full of school spirit. The members have put forth many hours of hard work for the good of their organization, their school, and their town. Throughout the year ensembles from the Glee Club performed for school and civic affairs.

"The Christmas Story in Song" was the first concert presented by the club during the year. A part of this program was presented as a "White Gift" service for the student body in assembly.

Program plans for early spring included assembly programs, radio programs, civic club programs, and a musical comedy—"In the Park!"

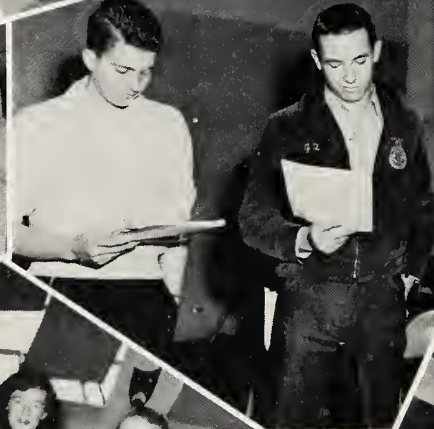

In celebration of National Music Week we presented "Musical Memories of 1953." The final performances of the year were at Baccalaureate Service and Commencement Exercises.

COACH "HONEY" JOHNSON

MANAGERS
George Meads, Bobby Sawyer

Doctor J. H. Bonner

Our Yellow Jackets surprised us all this last season with one of the best seasons ever witnessed for so light a team as the 52's. Though small in stature and number we can say we had something to be proud of in our football team. Under the excellent coaching of "Honey" Johnson, the Jackets rambled through to a four wins, one loss, one tie conference season, and an eight wins, three loss, one tie season in all games played. Opening the season in a non-conference bout with Wilson High the Jackets were defeated by a slim margin of 7-2. The following week found them for the first time of the season at Memorial Field matched against the triple A Goldsboro eleven. In a fighting game all the way the too small Jackets were downed

20-6. Then our boys started to roll. Beginning with Edenton they fought to a 7-0 win to begin the conference season. The following Friday found the Jackets in Washington. Against a heavier Pam Pack team the Jackets could get no better than a 0-0 tie. They then downed Roanoke Rapids 13-6 on the Roanoke Yellow Jackets field. In a non-conference tangle the Jackets showed neat form by trimming Catholic High 28-0. We then played host to Kinston in our homecoming game in which

we downed the visitors with a 27-0 win. The New Bern Bears were next in line to fall before our mighty mites in a grueling game which ended 20-13. We all got our hearts broken the following week at Greenville dropping that one 20-7. In two non-conference battles which brought the season to a close the Jackets beat Beaufort 34-6 and in the Thanksgiving Day game dueled with Hertford to a 13-12 win. Our hats are off to the Jackets of '52. R. E. A.

COACH BOB BROOKS

The 1952 Jay Vees were composed of a small and very light group of boys this last season. The loss column got the best of them but not without a struggle. Several of the boys on the team showed themselves to be something to look forward to on future varsity squads.

The most valuable player for the Jay Vees last season was Osie Lee Cooper. Levin Culpepper presented him with the Carolina Amusement Company Award in a chapel program. We'll be hoping for a Jay Vee team next year as scrappy as our 52's were.—R. E. A.

Two points only, Williamston game.

The Elizabeth City cagers of 1953 are showing a great deal of pep and stamina at this stage of the season, displaying a not too spectacular but a good steady brand of basketball that opposing teams have a hard time figuring out. Being hampered by their lack of tall boys the first part of the season the arrival of Bill Bucklev to the Jacket squad proved to be quite an asset. A fine coaching job was turned in this season by coach Bob Brooks. Though not a straight wins team we should be proud of our 1953 Yellow Jackets, for you couldn't find a harder playing team anywhere.—

The 1953 Jay Vees are showing a real streak of talent so far in the 1953 basketball season. Being ahead of the loss column, the Jay Vee team is a hard working club and will take on the best of them. They will always come out on top when the final whistle is blown. We hope to see a lot of these same boys out again next year for a better varsity. Bravo, Jay Vees!

MR. E. C. H. S.

REID CARLETON

Reid came to us a few years ago just as any other new student comes. Little did we know at the time that he would prove to be such an asset to our class. This year, as class president, he has done a fine job and without him we feel that we would have suffered a great loss. We congratulate you—Mr. E. C. H. S.!

MISS E. C. H. S.

BILLY GAY MCDOWELL

Everyone who knows Billy Gay likes her, and everyone knows her. She is one of the friendliest, nicest students in our school. She has always participated in many of the school activities, and this year she was president of the Student Council. This in itself proves what kind of person she is since only one other girl has been elected to lead E. C. H. S. students. We are certain that she will be successful.

JUNIOR PLAY

The Junior Class again presented its play to the school and public as a means of raising money for the Junior-Senior Banquet and Dance.

This year the Junior Class presented "Her Step-Husband," a comedy in three acts. This was an original Broadway production.

There was much work involved in making

this play a success; and we owe it all to our fine director, excellent actors, and the helpers behind the stage who played an important part in presenting the play.

The first big job we had to do to get our student government organized was to write a constitution. The Junior High School's Constitution is patterned somewhat after the Senior Council's Constitution. The constitution was adopted and went into action immediately. The entire student body met in the auditorium to nominate candidates for the different officers. Campaigning was held for the next two days and campaign speeches were held in the auditorium. Then the student

body elected Pat Walters, Anne Moore, Thelis Gordon, Hugh MacDiarmid, and Claughton Miller as officers.

On Friday, February 6, 1953, the Student Council sponsored a semi-formal dance in the high school cafeteria. The dance was a big success and the funds will go to the council treasury for further use. The Junior High School Student Government is working hard to improve the school in any way that it can.

REPRESENTATIVES First row: Beth BonDurant, Carrie Croy, Leticia Blount, Nicky Hilgert. Second row: Connie Toler, Charles Hotchkiss, Becky Davenport, Ann Wright.
